

Hi all,

Netball New Zealand in association with Panasonic are launching a fundraiser selling batteries. Regardless of affiliation or not, we are offering this opportunity to our Junior Satellites to earn some revenue. You may wish to sell them in your shop on a Saturday or ask teams to sell them on your behalf.

The details of the fundraiser are:

- The packs of AA batteries are sold by clubs at \$10 per pack of 4 (same as retail price) and earns \$3 per pack to the Junior Satellite
- A Box containing 5 packs of batteries retails at \$50 and earns the Satellite \$15 for each box sold.
- It is recommended that every person in a team is asked to sell a minimum of one box.
- The Satellite retains their portion of the sales and returns their sales forms (attached) along with payments to Netball Wellington Centre.
- The Satellite may opt to split the revenue between themselves and schools selling on their behalf.
- Netball Wellington Centre will be placing an initial order to Netball New Zealand by Friday 9 April, so please let us know how many boxes of product you require by that date and we will distribute to each Satellite.

	Pack of Batteries (4 x AA)	Box – Containing 5 packs
Retail Value – Sale Price	\$10	\$50
Club Earns	\$3	\$15

Please contact me with any questions.

Kind Regards

Andrew Petrie
Game Manager
Netball Wellington Centre
