While I am coaching and/or managing a team for Motu Kairangi Netball Inc. I will abide by the Code of Conduct as detailed below:

- Nurture your team’s love of the sport and their appreciation of physical activity.
- Ensure your players are ready to take the court at the required time (e.g. jewellery removed, fingernails cut, etc.).
- Teach your players that rules of the game are mutual agreements which everyone should abide by.
- Develop team respect of the ability of opponents as well as the judgment of officials and opposing coaches.

- Control your temper. Verbal abuse of umpires, officials or any player is not acceptable or permitted in any sport.
- Umpires and officials are to be respected. If you have a concern with how a game is being umpired the coach may approach and clarify the rules with both umpires during a break or ask for the duty umpire to observe the game.
- Be reasonable in your demands on young players' time, energy and enthusiasm.
- Avoid over-playing the talented players. The just average players need and deserve equal time.
- Remember that children play for fun and enjoyment and that winning is only part of their motivation. Never ridicule or yell at the children for mistakes or losing a game.
- The scheduling, intensity and length of practice times should take into consideration the maturity level of the children.
- Follow the advice of a doctor when determining when an injured player is ready to recommence play.
- Make a personal commitment to keep yourself informed of sound coaching principles and the principles of growth and development of children.
- If you need to use a substitute player, they must be from a team in the same or a lower grade. They may play for your team a maximum of two times. If they play for your team a third time they will be considered permanently in your team and can no longer play for their old team.
