Year 5&6 Coach Workshop
Sunday 7th May from 2.30pm to 4.30pm
SWIS Gym, 30 Waripori Street, Berhampore
FREE to attend
Perfect for beginner coaches of Year 5&6 level players

The ANZ futureFERNs Year 5&6 Coach Workshop is aimed at building confidence by providing coaches with key tools to deliver practice sessions that encourage players to learn and have fun. This workshop should benefit teachers, intermediate or college students and parents coaxed into a coaching role for the first time, those seeking a refresher or craving fresh ideas as they step up to coach this age bracket.

Year 5&6 players have by now developed a general understanding of the game. The emphasis of this workshop is therefore on learning and continued development of fundamental movement skills while ensuring players are having fun and experiencing the game with their friends.

This workshop enables you to get in coach mode in preparation for the season ahead. Attendees receive a Netball NZ resource full of engaging activities organised into a 10-session plan to refer to throughout your season. The workshop walks coaches through dynamic warm-ups, how to structure a practice session, constructive feedback and error correction ideas, how to adapt activities to suit your skill level and test understanding through use of questioning.
